

WAR OR PEACE

Crossroads of history 1918 | 2018

Terms & Conditions

Dear participants,

Please read the Terms & Conditions carefully before you finally commit to the event and before booking your trip. They replace the General Terms and Conditions of Business with regard to the payment of travel costs by the German Federal Agency for Civic Education and are legally binding!

General conditions of participation

Personal requirements

Participants must be between 18 and 30 years of age. All participants must be in possession of valid entry documents at the time of travel. This includes a valid identity document and, in certain cases, a valid visa. A valid identity document is also required at check-in at the hostel and to receive the festival badge.

Above-average commitment and a high level of interest in the topics of the festival are prerequisites for participation. Ideally, participants should have previous knowledge and project experience in the field of transnational remembrance work, (artistic) examination of peace and conflict issues, historical projects, etc.

Language skills

The workshops offered at the festival are held exclusively in English. A very good command of English is therefore a prerequisite for participation in the festival.

Application to participate

Applications to participate in the festival are made exclusively by filling in the registration form on the festival website www.warorpeace1818.org during the application period. The application is binding and can only be considered in English.

Travel allowance & journey

Travel allowance

The German Federal Agency for Civic Education (bpb) will grant you a financial subsidy for your travel expenses on the basis of an allowance (one-off payment). This travel allowance is calculated according to your country of origin, based on the current residential address you give when registering. Please note that only the specified amount will be reimbursed, irrespective of the actual travel costs incurred and without presentation of receipts. The travel allowance can be used for all costs for transport, insurance, visa and luggage fees, etc. **If additional costs are incurred, they cannot also be reimbursed and they must be covered by the participant.**

Conditions and payment of the travel allowance

The travel allowance is paid out on site in cash and in euros. Payment of the travel allowance is not possible in other currencies. The travel allowance will be paid on the final day of the festival (Saturday). **A prerequisite for the payment of the travel allowance is continuous participation in the workshop programme and in all binding programme elements of the festival** (from Wednesday 17 October at 6 p.m. until Saturday 20 October at 10 p.m.). Proof of participation is provided by the organisers on the basis of participation lists. Participation in the festival programme is obligatory! Arrival and departure must be planned in such a way that you can participate from the beginning and until the end.

An advance payment or payment of the travel allowance after the festival is not possible!

If you specify this in your registration, the bpb will provide you with accommodation from 17 to 21 October 2018. If accommodation is not required for the entire period, we must be informed of this.
